<b>Municipality</b>	<b>Village of Mount Horeb</b>	
<b>Mitigation Strategy Name</b>	<b>Resident Education</b>	
<b>Mitigation strategy goal</b>		
<i>Highlight the applicable strategic category</i>	Prevention	Natural Resource Protection
	Property Protection	Critical Facilities Protection
	<b>Public Education &amp; Awareness</b>	Structural Project
<i>Describe the overall improvements to the community including the purpose for and the desired outcome from implementing this strategy</i>	The Village of Mount Horeb will seek to inform residents of the educational and awareness opportunities available through Dane County and other weather and disaster related sites.	
<b>Define the steps to achieving this mitigation strategy</b>		
<p>1. The Village of Mount Horeb will utilize social media, village announcements, and other postings to make residents aware of education and alerts related to storms and other natural disasters. This includes but is not limited to :</p> <p style="padding-left: 40px;">Tornado Awareness Month- Typically April which also encompasses Wisconsin Severe Weather Awareness Week. The Village will promote the National Weather Service storm spotter classes and other related educational opportunities.</p> <p style="padding-left: 40px;">Winter Weather Week- Typically in November. The Village will promote educational opportunities related to winter storm safety and awareness.</p> <p style="padding-left: 40px;">Dane County Emergency Management (DCEM)- Encourage residents to sign up to receive emergency alerts via phone, email, and text. Promote DCEM Twitter and Facebook and reposting locally relevant posts.</p> <p><i>a. Responsible Party</i> – Village of Mount Horeb</p> <p><i>b. Funding source</i> – Ongoing using current village staff and resources</p> <p><i>c. Completion date</i> – Continuous</p>
